Officers of the Indian Defence Force other than Government servants, will draw pay of rank and branch during the period of such attachment or class of instruction.

Warrant officers, non-commissioned officers and men attached to Regular or Territorial units or detailed to classes of instruction will travel under the same rules as applicable to British soldiers of the same rank. When detached from their units for attachment to Regular or Territorial units or when attending classes of instruction they will, except when Government servants, receive pay of rank and draw rations as soldiers of the Regular Forces.

Pay and allowances when attending courses in England.

166. An officer of the Indian Defence Force who, while at home attends a school of instruction for officers of the arm to which he belongs, or the annual training in camp of his own arm or of the Territorial Forces, will be granted the pay and personal allowances admissible in such circumstances to an officer of the Home Territorial Forces.

He will also be allowed travelling expenses between his home and the nearest available place of instruction or training, unless the Divisional Commander, in sanctioning the officer's attendance, gives directions to the contrary. An officer thus entitled to travelling expenses will be required to travel on warrant (see paragraph 652 of Home Regulations for the Territorial Forces).

Travelling allowance.

167. A commandant or adjutant of the Indian Defence Force not belonging to the regular forces moving on duty to and from headquarters and back will draw travelling allowances under the rules in Army Regulations, India, Volume X.

Accounts.

169. In addition to the Capitation Fund (paragraph 153), Band Fund (paragraph 153), and Musketry Prize Fund (paragraph 159), private regimental funds may be opened as required to deal with other income and expenditure. Regular accounts will be kept of all funds and balance sheets showing in detail the assets and liabilities of each fund on the date of the expiration of each financial quarter will be prepared.

As soon as accounts for each quarter are ready, the Commanding Officer of each unit will assemble an Audit Board consisting of the Quartermaster and two officers.

The accounts of all funds both public and private (including all charitable funds) will be laid before the Board. The Board will examine all vouchers and will satisfy themselves that liabilities are not omitted from the balance sheets, that assets are not overestimated, that cash credits are actually available and, in the case of the Capitation Fund Account, that the provisions of paragraph 156 have been strictly complied with.

The balance of the funds will be entered in the proceedings, which will be made out on A.F.A.-2 in duplicate, and the Board will record thereon that these instructions have been carried out. The proceedings will be laid before the Commanding Officer for approval and one copy will be forwarded to the Brigade Commander before the expiration of one month from the expiration of each quarter together with any recommendation of the Commanding Officer under paragraph 156 for the application of any credit balance in the Capitation Fund Account.

No. 838.—The following notification of the Government of India is republished :—

ARMY DEPARTMENT.

CANTONMENTS.

REGULATIONS.

Simla, the 26th May 1917.

No. 834.—In pursuance of section 28-A of the Cantonment Code, 1912, as subsequently amended, the Governor General in Council is pleased to make the following rules prescribing the conditions subject to which a Cantonment Authority may establish and maintain a Provident Fund:—

1. These rules may be called the Cantonment Provident Fund Rules, 1917.

2. In these rules unless there is anything repugnant in the subject or context :—

(*a*) "Salary" includes all fixed monthly allowances by way of pay or personal allowances, paid from Cantonment Funds, but does not include allowances granted to meet specific expenditure such as travelling, horse, conveyance or house rent allowances, whether daily, monthly or yearly ;

(*b*) "Servant" includes every whole-time employee of, and holding a substantive office under, a Cantonment Authority, whether in receipt of a pension from Public Revenues or not, but does not include any servant who may be serving in a post which is pensionable from Public Revenues.

(*c*) "Depositor" means a servant on whose behalf a deposit is made under these rules ;

(*d*) "Interest" means the interest which is paid on a deposit at a Government Savings Bank under the rules in force for such institutions.

Explanation.—An employee on probation in a substantive appointment will not be considered a servant for the purpose of these rules until he is confirmed, but on confirmation he may be allowed to subscribe to the fund with effect from the commencement of his probationary service.

3. Every servant appointed or promoted by the Cantonment Authority on or after the date from which these rules come into effect in the cantonment, to an office of which the salary is not less than Rs 10 per mensem, shall be required to subscribe at the rate of 3½ per cent or one anna in the rupee, on his salary, to a Provident Fund of which an account will be opened at the Post Office Savings Bank. A servant appointed or promoted previous to the coming into effect of these rules, to an office of which the salary is not less than rupees 10 per mensem, may be permitted by the Cantonment Authority to subscribe to the fund. The deduction shall be made by the Cantonment Authority upon every salary bill presented, and shall be credited at once to the fund. In making this deduction fractions of a rupee of salary should be omitted.

At the time of the deposit each depositor shall furnish a certificate of heirship giving the name and address of the person or persons to whom he assigns his deposit in the case of his decease.

4. The Cantonment Authority shall make a contribution to the deposit account of each depositor, equal to one-half of the amount of the deduction made from his salary under the preceding rule. Such contribution shall be credited to the fund, month by month, in favour of each servant, together with the deduction from his salary. The contribution will be charged in the cantonment accounts to "10—Superannuation," sub-head "Provident Fund."

Provided that, in addition to the contribution made under this rule, the Cantonment Authority may, if it deems fit, make further contributions to be credited to the Provident Fund in favour of any servant as follows :—

After 10 years' approved service,		2 months' pay.
Do. 15	do.	3 do.
Do. 20	do.	3 do.
Do. 25	do.	4 do.
Do. 30	do.	4 do.

These bonuses are cumulative, that is, a servant who has received a bonus after serving 10 years may, after serving 15 years, receive a second bonus and so on. Though approved service may be reckoned as from the date of commencement of service, no application for a bonus shall be considered unless it is preferred within six months from the date at which the depositor becomes eligible for a bonus. Pay, for the purpose of this rule, means the pay of the applicant on that date.

Provided that, if a servant is transferred to the service of another cantonment maintaining a Provident Fund, his service in his original post shall count towards service for a bonus.

5. The sums credited monthly under Rules 3 and 4 to the Provident Fund Ledger maintained by the Cantonment Authority, shall be paid duly into the Post Office Savings Bank. Such payments should, whenever possible, be made into the Bank between the 1st and 4th of each month, in order that interest may accrue, and the payment in respect of the further contributions shall be made as soon as possible after the Cantonment Authority has sanctioned the same. These deposits may be invested in Government Securities in accordance with Rule 48 of the "Rules for the guidance of depositors in the Post Office Savings Bank." The deposits may also be invested in Government of India loans.

6. The deposits and contributions, with interest thereon, at the credit of any servant, may be withdrawn :—

(1) on the decease of the depositor, when the amount shall be paid to his legal heirs;

(2) on his ceasing to be a servant of the Cantonment Authority either by resignation or by transfer to Government service, when the amount will be paid to him;

(3) on his being transferred to the employment of another Cantonment Authority, when the amount will be transferred by money order to the Secretary to the Cantonment Authority at his new station, for payment into the Post Office Savings Bank.

7. The sum at credit of a depositor is not liable to forfeiture on dismissal or on conviction by a Criminal Court, except for an offence for which the penalty of forfeiture of the whole of the offender's property is prescribed by law.

8. (*i*) Amounts credited or debited to the Provident Fund shall on the same day be posted in the Provident Fund Ledger. Separate pages of the account shall be set apart for each month's transaction.

(*ii*) The entries in column 7 will be made once a year only, except in the case provided by clause (*v*).

(*iii*) In column 14 will be entered the minimum balance at the credit of the account between the close of the 4th day and the end of the month.

(*iv*) When the Ledger has been completed with the monthly interest bearing balances (column 14), these balances will at once be carried to the broadsheet. At the close of the financial year the columns of the broadsheet shall be totalled. When any of the financial year the columns of the broadsheet shall be totalled. When any account is closed down during the year, the amount of interest which has been included in that account in accordance with the clause (*v*) will also be carried to the appropriate place in the broadsheet. The amount of interest added by the Post Office in the Pass Book on the entire amount of the sums deposited during the year to the credit of the Cantonment Authority, less any amount already entered during the year under clause (*v*), shall be distributed among the individual accounts proportionately to the sums of each column (disregarding fractions of a rupee) of the broadsheet.

The "total of interest payable" should correspond with the amount of interest added by the Post Office.

(*v*) If any payment has to be made during the year on an individual deposit account under rule 5 or 13, interest shall be calculated on that account only as nearly as possible in accordance with the rules in force in the Post Office. The amount of interest calculated shall be entered in column 7 against the account concerned, before payment is made.

9. A copy of the account of each depositor shall be furnished to him as soon as possible after the close of the financial year to which the account relates, or at the time of payment in the case of accounts closed down in accordance with rule 5.

10. No voluntary deposit from servants will be credited to the Provident Fund.

11. Servants are not eligible to subscribe to the Provident Fund while absent on leave other than privilege leave. (See Article 311, Civil Service Regulations.)

12. On a depositor leaving the service, his account shall be closed, and unless the amount at his credit is withdrawn within a certain period, viz., for balances of Rs. 10 and under, one year, and for balances over Rs. 10, three years, it shall be written off as a dead account, and repaid only under the orders of the Officer Commanding the Division.

13. When an account becomes dead, it shall be closed in the Provident Fund Ledger, the money being drawn out of the Savings Bank and credited to the cash book (Form 7, Schedule I, Cantonment Code, 1912) as a miscellaneous receipt. If the amount is subsequently claimed the entries in the cash book and the Provident Fund Ledger shall first be made before the orders of the Officer Commanding the Division are requested, and when repayment is made, the fact of payment and a reference to the order shall be made against the entry in each account book, to avoid a double payment.

14. Where a Provident Fund has been established on behalf of any servant under executive arrangements prior to the date of introduction of these rules, the amount at credit of the said servant may be brought forward to his credit in the accounts maintained under these rules.

The exclusive right of excavating shells in the waste lands of the undermentioned places will be put up to auction at the upset prices noted against them at the office of the Inspector, Salt, Abkari and Customs Department, Madras Depot Circle, near Elephant Gate at Madras, on Thursday the 28th June 1917 at 2 p.m.

2. The lease will commence and terminate on the dates noted against the respective groups. It will be limited to six months. The amount of bid which will be subject to confirmation by the Deputy Commissioner, Central Division, will be for six months.

3. A deposit of one-third of the upset price must be made by each intending bidder previous to bidding and it will be received by the Inspector, Salt, Abkari and Customs Department, Madras Depot Circle, at any time during the office hours within three days previous to the date of sale.

4. No person will be allowed to bid for another, unless he holds a power-of attorney from him. Such facts should be brought to the selling officer's notice at once.

5. The selling officer may for valid reasons refuse to accept any bid, and in cases of dispute his decision shall be final; if, for any reason, the highest bid is rejected, the selling officer may at his discretion either accept the next highest bid or commence the auction again.

6. The final acceptance of bids shall rest with the Deputy Commissioner, Salt, Abkari and Customs Department, Central Division, who reserves to himself the right to accept or reject any bid at his discretion.

7. The deposits made by the unsuccessful bidders will be returned, as soon as possible, after receipt of the orders of the Deputy Commissioner, Central Division, on the auction sale report.

8. At the auction proceeds, each successful bidder shall at once, if so required by the selling officer or otherwise at the close of the day's sale, make such further deposit as the selling officer may require. Should he fail to do so, the deposit made by him under condition 3 supra will be forfeited and the shell-pits will be put up to auction again or otherwise disposed of as the Deputy Commissioner may determine, and the defaulter may be debarred from bidding again at any subsequent sale of shell-pits by the Deputy Commissioner.

9. On the acceptance of the bid the successful bidder will be required to enter into an agreement within a week from date of receipt of order accepting the bid for the due performance of his contract and pay one-tenth of the auction amount to the Assistant Commissioner, Chinglepet subdivision, or any officer nominated by him. Should the bidder fail to do so, the deposits made by him under conditions 3 and 8 supra will be forfeited and the shellpits will be sold or otherwise disposed of as the Deputy Commissioner may determine. Resales effected will be at the risk of the defaulting bidder who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the amount payable under the terms of the original sale and that payable by the successful bidder at the resale.

10. A copy of the form of the agreement can be seen at the office of the Assistant Commissioner, Chinglepet subdivision, Madras, where all further information on the subject can be obtained.

11. All the conditions of the agreement will be strictly enforced. If the bidder entertains any doubts regarding any condition, he may apply to the Inspector, Tiruvallur circle, and have his doubts cleared either before or at the time of auction sale. No notice will be taken of any subsequent representation.

12. The amount paid under conditions 3, 8 and 9 supra will be adjusted towards the last instalment of purchase money payable under condition III of the agreement.

The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 5·02 inches, the average due for the same period being 6·67 inches.
